

RRHS SUPER REUNION PHOTO REQUEST:

(Classes of '78-'83) ...includes those that started off at RRHS but graduated WWHS.

From: Jim Charles

Greetings! For those who would like their picture included in a reunion video, I would like to request two pictures from each of you: one from high school and another more recent. The high school picture should preferably be a solo photo, be fairly close-up, and NOT a group shot. We need to know which one is you. The recent photo can be of you alone or of your family. The plan is to play the resulting video during the main Saturday night event.

You can either send me scanned-in photos, or the originals and I will scan them in and return them to you. Obviously, if you mail your pics be sure to include your return address. If scanning your own, and if you can, please set your scanner for the .JPG file format and the best possible quality. To be sure the emails get through, please send no more than two pics per email. I will be making DVD copies of the resulting video and will have a limited quantity available at the reunion.

IMPORTANT: Whether you email or mail your photos, please be sure to include your NAME and THE YEAR YOU GRADUATED. Ladies, be sure to include your MAIDEN NAME, preferably in the form of 'maiden name=abcde'. Even if you're not married, please identify your maiden name. I will be overlaying your name over your pictures in the video.

The cut-off date for pictures to be included is May 1st, but the sooner the better.

My email address is jcharles10@kc.rr.com.

My mailing address is 14211 Conser St., #506, Overland Park, KS 66223.

Please spread the word about our reunion, and of my picture request. In the near future, I'll be making other photo requests for other videos I'd like to put together. I'm already working on one for the Dragonettes (years '77-78 thru '82-83) and could use some more pics! I'd also like to produce one that includes various non-specific photos, such as sporting events, parties, proms, the lake, group shots, etc. I'd also like to request photos of the Miss Round Rock Beauty Pageants (1979-1983). If you attended or worked the pageants, both event and behind-the-scenes pics would be appreciated.

Please send me what you can. These videos will only be as good as the pictures I receive.

Thanks to all!

Jim Charles
Class of '79
